REPORT.

STATE LIBRARY ROOMS,
SALEM, OREGON,
September 1, 1876.

To the Honorable the Senate and Assembly of the State of Oregon:

I have the honor to submit the following report of the Oregon State Library for the biennial term about to close.

Annexed hereto is a catalogue of the books now in the Library.

It is divided into three divisions—

The first containing a list of Digests of Reports and Reports;

The second, a list of Statutes, Congressional and Legislative journals and documents, etc.;

And the third, a list of Miscellaneous books containing the Text Books of the Library.

There are now belonging to the Library 7,384 volumes.

There have been added to the Library during this term 1,026 volumes, received in exchange for the different publications of this State, excepting 178, purchased by Chief Justice B. F. Bonham of the Supreme Court of the State of Oregon.

For the incidental expenses of the Library, I refer you to the report of Hon. S. F. Chadwick, Secretary of State, as Superintendent of the Library, who has paid all the expenses of this office.

I append to this report a list of newspapers received at this time at the Library.

In conclusion, I would respectfully beg leave to recommend to your honorable body that the Act of 1872, creating a fund of $750 per year for the purpose of making such additions to the Library from time to time as may be deemed necessary by the Chief Justice of Oregon, be reduced to the sum of $500 per year, as I think that amount will be sufficient to keep up the Library with our system of exchanging with other States.

Most respectfully submitted,

A. F. WAGNER,
State Librarian.
